

Dear Parents,

Rather than sending home weekly permission slips for walking trips (it is hard to plan for weather) this form includes ALL planned and spontaneous trips we might take. Our walks might include the following destinations: the stores included in the Buehler's Shopping Plaza, the apartments behind the plaza, the Brunswick Library, the Brunswick Rec Center, Towslee Elementary School's playground, or the Susan Hambley Nature Center and surrounding area. On all walking field trips we will be equipped with a cell phone and emergency contact numbers, water and a first aid kit. For some of these trips we will be crossing Center Road. We discuss street safety with the children before all trips, but if this makes you uncomfortable arrangements can be made for your child to stay at school. If water that is more than two feet in depth is accessible to the children on the trip parents will be notified and an additional permission slip would follow.

Please complete the appropriate section of this form and return it by your child's first day. Note that this is only for walking field trips. Individual permission slips will still be sent home for field trips that require transportation.

Thank you,

Kids Town Teachers

---

\*My child \_\_\_\_\_ has my permission to participate on ALL walking field trips.

Here is my emergency contact number: \_\_\_\_\_

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

---

\*My child \_\_\_\_\_ may only walk in and behind the plaza, but should remain at school for trips that require walking on Center Road.

Here is my emergency contact number: \_\_\_\_\_

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

---

\*My child \_\_\_\_\_ may NOT participate in any walking field trips.
